Protect America Agent Program

Q: Do I have to already have a business to start?

A: The answer is no. You do not need to already have a business to start as a Protect America Dealer. You can start your business by being a dealer for us.

Q: Can I be a dealer for Protect America even if I sell other companies equipment?

A: Yes, you do not have to sell for Protect America exclusively.

Q: If we do not need inventory, how will I get the equipment to the customers I sign up?

A: Protect America is responsible for shipping the equipment to customers once they have signed up.

Q: How will I get the contracts for the customer to sign up?

A: Contracts are done online. All you need is access to the internet.

Q: How much money can I make being a Protect America Dealer?

A: The possibilities are endless. Earn as much as you want. There is no cap to the amount you can earn by selling our home security.

Q: How often will I receive payment from Protect America?

A: You will receive payments and funding every week.

Q: Do I need insurance coverage?

A: You will need only the state required insurance.

Q: Will Protect America purchase my existing accounts?

A: Protect America can purchase your existing accounts and bulk contracts. Contact for more information.
